The idea of needing more lighting in the parking area behind the building was discussed. It is very dark and is a safety hazard to be so dark in the parking area. Report was made that this issue is already being taken care of. Lighting in the back lot will improve.

Tom mentioned the need to plan some activities during TPC in May. Too Short for this year, but maybe for next year.

J.R. Mathis mentioned all the cigarette butts along the walkway outside the building. The Butt can needs to be returned, in hopes that people will use it and keep the front area cleaner.
