July came in like a lion and it doesn't appear to be leaving like a lamb. The dance floor area wall air conditioner had met its demise and needed to be replaced. I would like to thank Dan Wortmann for taking the time to investigate the split air conditioner system that had been suggested and meet with J&W Heat and Air and secure the estimate. After a quick turn around email vote, the Executive Board authorized the expenditure and the unit was installed on July 18th. Thank you to the E-Board for their quick response. The Post is now enjoying very much needed cool (cold) air conditioning.

The Post hosted the fourth K9s for Warriors Graduation Ceremony on July 27th. If you missed the graduation, the next scheduled graduation will be August 23rd at 5:30pm. Please come out and welcome these warriors back home. Following the graduation we held our American Flag Retirement Ceremony. My thanks to the officers and members of the Post who attended and a special thanks to Master Chief JJ Jones, the Beaches Honor Guard, and Boy Scout Troop 288 for their participation and attendance.

Lastly, if anyone has an idea for an event at the Post, please contact me so that we can lock in a date and work on making it happen.

For God and Country,
Roy

Legionnaires: Outstanding & Thank You to all of you Early Birds! I have received & processed 157 membership cards in the past two weeks, bringing us to 62% already! They have all been mailed & are on their way to you. Also, here's a tip, if you want to stop those pesky notices from National each month, renew your membership soon. Remember, you can also renew online & I will mail your card as soon as payment is posted to the database. We are off to a great start, let's keep the momentum going & meet our 100% goal by September 1st. I know we can do it!

For the Good of the Legion,
Patty

You have always heard that the three most important things to remember in real estate is location, location, location. As 1st Vice the three most important things to remember are membership, membership, and membership. Without members we do not have a Legion and would unable to donate to our charities, help our veterans and members.

Within the last month we have received our new cards and are mailing out renewals as quick as possible. If you have not renewed your card yet now is a good time.

On a new topic we are forming a Past Commanders Club, our first meeting will be Saturday August 17th at 3:00pm. I will be contacting our past commanders either by e-mail or phone of the meeting. With this club we hope tap into some of the vast knowledge these commanders have had in past years of being a post commander. And in the process develop more camaraderie between all of us. For the good of the post.

For God and Country,
Mark

With the new split air conditioning system that was installed, measures are being taken to possibly re-route one of the air conditioning ducts from the dance floor ceiling into the kitchen area. This along with new exhaust fan measures should be able to make it a more pleasant work environment.

For God and Country,
Robby

Things around the post are starting to come together, the new A/C for the canteen (Thanks Dan), the landscape around the patio, what a great job to all. We are always looking for new members and members to volunteer for our many functions. So please volunteer for functions at our post and keep on the lookout for new members.

For God and Country,
Stu

God Bless our Troops and remember to keep their families in our prayers. Remember too, some of our Post members and their families who could also use some spiritual assistance, in particular our Sgt. at Arms Rick Kapeghian.

The House Committee rules have been updated as per recommendations received from the 2012 State Convention presentation by Dick Mondro, Florida Judge Advocate. Changes have been posted in the canteen for your review. Post management is like running a successful business. We have situations arise which require review and resolution based on rules. Example; a barefoot white male, convicted felon on probation, staggered into our post, created a big disturbance, was removed, continued outside, the neighbors called law enforcement and the sheriff took care of the situation.

Similar issues arise at other posts which result in statewide rule changes. Examples; personalities making threats, in fighting or just plain stupid mistakes. Rules apply across the board in all 17 Districts and 397 Posts in Florida. We do review our cases with our State Judge Advocate, State Adjutant, Asst State Adjutant or if necessary, the National Adjutant or Judge Advocate.

If you have questions or other situations, pass it along and resolution will be found within Legion guidelines.

For God and Country,
Ric

CANTEEN MANAGERS REPORT- by Diane Dorsey

Email: Canteen@AL233FL.org

The dog days of Florida summer are upon us and it's hot outside but thanks to Dan Wortmann and the recent installation of an additional 3 ton high efficiency A/C unit, Post 233 customers are keeping their cool. Working in conjunction with our central air system, the new unit is keeping all four corners of our indoor area cool and comfortable. Plans are also underway for a rework of the vent system in the kitchen to provide some much needed relief for our hard working overheated volunteers in that area.

Also, for your convenience the new ATM machine is up and running in the Canteen area. To all those who have been voicing the need for it, please use it! The nominal 2.00 fee that it charges is a split with the Post so it's a win-win. In spite of the heat our outdoor Pavilion area continues to be in use by our members and several great events are being planned for the fall months. We also have several private parties booked by our members for family celebrations. We are fortunate to now have one of the nicest outdoor facilities available in our area and encourage anyone planning a family get together or function for another group to take advantage of our fabulous setting. Catering, party planning and entertainment services are all available in house and can be combined with our very reasonable facility rental fees. Dates are filling up so think ahead and let us know if there is a future event that we can help make special for your family or other group.

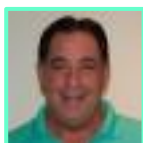

We have Monday Night Trivia with Patty O., Tuesday Night Texas Hold-Em, Wednesday Night Dinner, Friday Night Steaks and Fish by Chef Mike Shaar followed by great live entertainment, The Johnston Duo and Theme Night with Frankie Martin, Jr. on the 2nd and 4th Saturday nights respectively and Sunday Morning Breakfast, soon to be followed by NFL football on our big screens. We also have Karaoke with the Legion Riders on the 4th Sunday of the month and don't forget that we also serve lunch Monday thru Friday. There really is something going on all the time at Post 233!

For Facebook users, Event flyers and updates are regularly posted on the Legion, Auxiliary and ALR pages. "Like" those pages to be sure that you are getting the most up to date information. The same information is also updated on the Legion webpage at www.al233fl.org. If you are less than computer savvy, you can always call the Post at 904-285-2484 and we'll be happy to let you know what's going on, what's coming up or what's for dinner.

As always, Thank you to our volunteers without whom we could not offer the full schedule of meals and activities that so many enjoy. Our volunteers rock! There is always a need and room for more hands, so please consider joining the fun. On behalf of our Canteen Staff, I hope that we will have the opportunity to see and serve each of you soon.

For God and Country,

Diane

Believe it or not it is MEMBERSHIP time again. It is that time of year that we encourage all members to pay their dues for the 2012-13 year. We have a very good record of % 100 membership renewal and want to keep it that way. You can send in your check or give it to the bartender on duty.

Our best wishes go to Jason Bass with his upcoming hip surgery later this month. He has been doing a great job of keeping the grounds manicured but due to his surgery he will not be able to do this for a few months. We need to help out! Unfortunately, he has also decided that he can no longer attend to his duties as 1st Vice and has resigned. Congratulations to Randy Cottle who moved to 1st Vice and Russell Langley who was elected to 2nd Vice. We have a fantastic team.

We are responsible for one Wednesday night a month to cook dinner. Please help us by volunteering at least once this year. The July dinner was sponsored by Roger Achey (Gold sponsor). The dinner was prepared by Dale Little (his famous fried chicken) and was assisted in the kitchen by Mike Shaar and Randy Cottle. Great job folks! The next S.A.L. dinner is 8/22. Please plan to be there (even if you can't help out) to buy a meal and support our squadron Post. Dates for other months are not yet finalized but don't let that stop you. If you know when you can do it please let me know and I will make arrangements. Pick a date that you can either cook or volunteer in the kitchen. Also, remember that if you cannot volunteer you can always be a Gold Sponsor. (A \$100 donation will pay for the food and someone else to cook it.) If the same names keep showing up here it is because the same people are doing the volunteering. This is NOT acceptable. It would be nice to give the "regulars" a break! It is not that difficult. C'mon!

The S.A.L. is also selling scented "trees" for your car or home - (Vanilla, in the style of the U.S. Flag). Just ask

the bartender if you want to buy one (or three). These were donated to us and sell for \$1. Next time you are there please purchase one of them and try to promote them as well. All the proceeds go to the S.A.L.!

There are other fun and exciting events and fundraisers coming up in the near future so keep your eyes on the newsletter, visit the website (www.al233fl.org) or better yet, come in to your Post and have a drink!

If you have any questions or suggestions regarding our Squadron or Post 233 issues, my phone number is 904-233-0976 and my email is flagman49@yahoo.com.

God Bless America.

WALL OF HONOR

If you have been to the Post lately hopefully you have seen our "Wall of Honor" and have taken a few minutes to read about the person we (Auxiliary members) joined under. We will be adding more to our wall as Auxiliary members submit their pictures and info. Thank you to new members Debbie Eatmon & Rita Barger for taking on this project. Ladies please contact me and I will let you know how to submit your info (219-3035).

AUXILIARY MEMORIAL GARDEN

Also if you have been to the Post you might have noticed our new Auxiliary Memorial Garden that is being constructed by Dana Ratcliff with the help of her parents Larry & Yvonne & some friends. Dana came to an Auxiliary meeting to ask if she could do this garden to earn her Girls Scout Gold Award. Dana designed this garden and submitted blueprints to the Auxiliary. With approval from the House Committee and the Auxiliary Dana got to work and has just out done herself in making us a beautiful garden. She is almost finished and will be headed off to college this month. We will be placing plaques in our garden to honor Auxiliary members who have passed on. Many thanks go out to Dana & her parents for taking on this project. Now it is up to the Auxiliary members to maintain this lovely garden. Thanks go out to Charlie Walker who has been turning the sprinkler system on daily. Dana & her father also installed this system to keep all the plants watered.

MEMBERSHIP, MEMBERSHIP, MEMBERSHIP

It is that time of the year to renew your membership for the 2012-2013 term. National is behind in sending out notices but please don't let that stop you from sending me your dues. Please make checks out to ALA Unit 233 in the amount of \$25.00 and send them to me @ 101 Bowles Street, Neptune Beach, FL 32266. If you have any info that needs to be changed you may submit that to me also.

SEPTEMBER MUSIC & CRAFT FESTIVAL

The Auxiliary will be hosting a fall festival on Saturday, Sept 1st with FLATBLACK providing entertainment for us. If anyone is interested in renting table space to sell your arts & crafts at this event please contact any Auxiliary officer for details. We will be finalizing details for this event at our August meeting and then we will start spreading the word. Mark you calendar for a day of fun, food, music & crafts.

AUGUST AUXILIARY REGULAR MEETING

Our August meeting will be on Thursday, Aug 9th @ 7pm. Last month we actually had to pull a chair in from the main floor as the room was full. I LOVE IT. Ladies if you haven't attended a meeting in sometime please do so. We really do get things done at our meetings as more and more members are attending and adding their input into our event plannings.

LAST NOTE

I can't thank all the Auxiliary ladies who put in so much volunteer time at our Post. We are a TEAM and we are here not only to work our Auxiliary programs but to support the Legion/SAL and Riders. Together we get the job done and we have fun doing it!!!!

Keep in your prayers all our service men, women and their families for their service to our country.

Be Safe,

Kathy

FROM THE RIDERS- Director Russ Langley

Email: ALR@AL233FL.org

This past month was filled with activities! The Riders are branching out from karaoke to breakfast! The gang hosted the morning's breakfast service on the 29th, of which was rewarding in it's self! Try this, the thought of patched bikers bringing you your scrambled eggs! We appreciate those that dined with us on that morning! The Rider's host breakfast on the 5th Sundays of the month. Our Pavilion/karaoke and dinner shin-digs are SNOWBALLING! On the 22nd, we indulged our 2nd party with Chef Paul and Loraine packing the meatballs atop of the mounds of spaghetti! OMG! (I know it's kinda dainty for a biker to use "OMG") BUT OMG!, WAS THAT DEEEEEEE-LISH! We'd like to thank those two for their time with the culinary portion of our day! Now, despite the heat that Florida radiates upon us, we hosted twice as many folks than our first event!

The word is getting out, and folks are finding out that karaoke, food, and bikers are THE PERFECT combination! If you are one of the few that hasn't experienced this, be sure to look for our next one in August! They fall on the 4th Sunday of each month. Oh by the way, we are moving the karaoke inside for our up-coming events! This will eliminate sweating issues! Biker leather and God's Florida heat are not a good combo.

Other than our Legion affairs, don't forget WE RIDE, AND LOVE IT!

The gang saddled up and took off on a night ride down to the White Horse saloon on the 13th. We enjoyed a GREAT steak dinner, and rounded out the ride over to the beach, enjoying Flagler's hospitality, and casually rolling back up the beach! That ride COULDN'T BE BEAT!

Also, our rider's enjoyed Post 316's 5th District Rider's Cookout and games! Now dig this, our riders of Post 233 DOMINATED the rider's games, and CAME HOME WITH THE COVETED trophy! That's right our boys out rode, out golfed, and out shot our fellow Post's riders! WE'S GOT SKILLS!

If you are interested being a part of our Rider's group, and would like to join, you are more than welcome! We are always looking for new people. Whether you have a bike or not, there is a place for you! At least, take a look at what we're doing on our facebook page; [American Legion Riders Post 233 Palm Valley](#)

You guys Rock, so let's keep it rolling,

For God and Country,
Russ

It was another fantastic K9s for Warriors' Graduation this month. We were honored to celebrate completion of the buddy training for: Cody & Trigger; Ian & Cody; and, Kelvin & Skipper! This is the beginning of a major turning point in their lives. They are better prepared now to reconnecting with the world by having their K9 Partner beside them. The time has come for them to move on with their future & their families. This was our largest group of supporters, thus far. There is no doubt that our Warriors appreciate your attendance & all your well-wishes. We can never say thank you enough to the amazing K9s for Warriors Team! We are very grateful for all that you do for our Warriors! And we look forward to our next group of Warriors & K9s in August!

Immediately following the Warrior Graduation, JJ opened our American Legion Flag Retirement Ceremony with his recitation of 'Toast To The Flag', he was in full uniform & did his usual *magnificent* job. The ceremony was executed accordingly by: CDR Havekost; 1<sup>st</sup> Vice Dorsey; 2<sup>nd</sup> Vice (pro tem) O'Callahan; & Sergeant-at-Arms (pro tem) Wortmann. Also part of this event was the Color Guard of Jacksonville Beach, doing their ever-constant outstanding job. Thank you to all that attended, including members of Boy Scout Troop #288 of Ponte Vedra Beach.

Well done!

Bravest Warriors  
and their  
K9 Partners!
